DAVID PEREZ

Houston, TX | +1 832-757-6931 | https://www.davidperjac.com/ | https://www.linkedin.com/in/davidperjac/

SUMMARY

Software Engineer with a frontend focus, creating fast, user-centric web apps for SaaS, logistics, and real-estate teams across the US, Europe, and Latin America. Expert in React, Vue, Next.js, TypeScript, Tailwind, and modern back-end tools, delivering clean code, secure APIs, and real-time data. Equally comfortable leading new builds or refining existing products in remote or hybrid SCRUM teams. Houston-based, fully authorized to work in the US, fluent in English and Spanish.

WORK EXPERIENCE

SPORTMONKS   Deventer, Netherlands - Remote
FullStack Developer   Jul 2023 – Present
- Led the development of Oddsmonks, a dynamic odds and predictions website, showcasing the powerful features and potential of Sportmonks' API3. Integrated real-time data updates, secure middleware for API token protection, and a modern technology stack featuring React.
- Contributed to the development of the new SSAP, a cutting-edge web application tailored for internal business employees to access and manage data effortlessly.
- Development of the redesigned onboarding, dashboard and new Components functionality for MySportmonks that increased MRR by 10%.
- **Skills:** React | VueJS | PHP | Laravel | NuxtJS | Tailwind | Docker | Typescript | Postgres |UI libraries | Figma | Stripe | Pinia | SCRUM

JELOU   Guayaquil, Ecuador - Hybrid
